Please follow the directions provided rather than using a GPS.

We recommend using the Puma & OK Express Service Station shortly after leaving Kuruman). In Kuruman please contact the lodge to establish an estimated time of arrival. Tel: +27 53 781 9317. Mobile phone coverage is available all the way from Kuruman to the Tswalu gate.

- Approximately 72km from Kuruman (before Blackrock) turn left onto the tar road R31 following the signs to Kgalagadi Transfrontier Park and Van Zylsrus.
- After about 42km you will see a turn to your left (indicated as Sonstraal on maps and GPS) – it is sign-posted Tswalu Kalahari Reserve on the D3335 route.
- Turn left onto a gravel road. Pass through an open gate with 'Sonstraal Complex' on your right.
- There is good mobile phone reception in this area; please call us to advise that you have turned on to the gravel road. (Please ignore the first "road closure" signage)
- After 10km on the gravel road, you will see an airstrip to your left and just beyond, the Tswalu staff housing complex on your right. A kilometre further you will find the Tswalu entrance to your right (The second "road closure" signage will be here). Enter the gate and continue on until you reach a fork in the road. At the fork, turn right and follow the road until you reach the next gate and the "Tswalu Healthcare Centre". Please park here, where a member of the Restaurant Klein JAN team will meet you to escort you further.
