GUESTBOOK

“Jan, needless to say, your conceptualization for the extraordinary continues. Thank you for seeking out the unusual and inspiring delight at every turn. To the A team, thank you for working tirelessly, night and day, to make the magic happen. Every detail, nuance, late night sweet treat and everything in between, was beyond. So missing it all already.”

– Dianne Bibby | October 2023

“I have been back for a few days now and suffering from a severe holiday hangover! It all seems surreal. I wanted to express my thanks to you for all of your attention to detail, your care and all your hard work that went into making it such a special week for me. I would like to also thank the team- I know that it was very much a team effort -for a splendid magical time in a beautiful place that you all created so seamlessly. Such a privilege to have been able to be there with all of you and be inspired!”

– Elizabeth Cameron-Smith | October 2023

“I am home now in Cape Town and need to thank you, Jan and all the amazing, wonderful, fabulous people that made the time and experience in Apricale and Nice just simply out of this world. Everything was simply superb and I need to compliment you all on making this trip a trip of a life time and one that will never be forgotten. A million thanks to you all.”

– Pippa Schou | May, 2024

“Thank you for a once in a lifetime experience, which was our trip to Nice and Apricale. Everything was above expectations. The visit to the market was an amazing experience, beautifully displayed extraordinary produce, fish, meats and pastries! Dinner at JAN was the best dinner experience of my life! We were a harmonious group and fortunate to have had the amazing chef, Marnus cooking delicious food for us, Alwijn decorating our tables beautifully and Armand as our sommelier, who explained everything in an understandable way. Our cooking sessions with you were most enjoyable and thank you for the recipes.”

– Karin von Wenzel-Obholzer | May 2024

“I would like to take this opportunity to thank you and your amazing team once again for an absolutely phenomenal experience. I struggle to find the words every time someone asks me how my trip was, because it was simply OUT OF THIS WORLD, an indescribable experience, in the best possible way! The attention to detail was unmatched and the whole experience, so much MORE than I had expected! I knew it was going to be special, but damn, you outdid yourselves at every possible turn. Thank you from the bottom of my heart for a trip of a lifetime, and for the memories that will forever be embedded in my heart.”
